

Interested in Science?

Why not bring along your pupils to visit our:

'Fabulous Science Lab'

We provide a RENT A LAB scheme to meet the needs of your pupils

Benefits:

- Use of high-tech facilities and equipment in a science lab
- Develop students' knowledge and understanding of scientific concepts
- Develop bonds with our science teachers
- Understand what it feels like to be in a secondary school

Or perhaps you would like a CPD workshop for staff only?
Whatever your needs, we will try our best to provide for you!

If you are interested in this fabulous opportunity then please can you contact
