

The
Bulmershe
School
INSPIRING POTENTIAL,
ACHIEVING TOGETHER

19th July 2016

Dear Student, Parent/Carer,

It is with great regret that I inform you that Mr Geoff Wickens has passed away after a long and brave battle against illness. Mr Wickens served 33 years at Bulmershe, as History teacher, Head of Year, Head of House and, more recently, leader of our alumni project.

I know there are many in our community who have been taught by or alongside Mr Wickens over the years and we will all much miss his constant good humour, patience and dedication to the students in our school.

Our thoughts and prayers are with Mr Wickens' family.

Emma Reynolds,
Headteacher
