Dear Parent/Carer

Cooking and Nutrition Lessons in Year 7

During Year 7 students will be following a half-year course of cooking and nutrition, when they will be learning about healthy eating and how to cook basic food dishes. The dishes that they will cook include:

- coleslaw
- fruity cake slice
- savoury crumble
- cheese savoury
- sausage pasta pot (vegetarian sausages will be available if requested)
- breakfast muffins
- vegetable curry
- French bread pizza

The school will provide the ingredients and a suitable container to take the dishes home, and the cost for this will be £11.

Please complete the slip below and make payment to the school finance office. If your child receives free school meals or is a pupil premium student then this cost will be covered by the school; however, please still complete and return the reply slip.

If you require any further information please do not hesitate to contact me.

Yours sincerely

Mr S Davis
