March 2017

Dear Parents/Carers,

As this term comes to a close I would like to thank all parents and families for their support in ensuring that high standards of achievement, uniform, punctuality and attendance have been achieved so far this academic year.

Exam year groups in particular have worked hard over this term with mock exams providing a real opportunity to practice and build confidence for their final exams.

We have emphasised to students the importance of staying healthy, preparing hard and being positive about their revision; I am delighted with the many examples of improvements in grades and levels from our first to second mock exams in year 11 this year and I have full confidence that our students will perform brilliantly in their finals.
