**Bulmershe  
School**  
INSPIRING POTENTIAL,  
ACHIEVING TOGETHER

Headteacher: Emma Reynolds

Dear Parent/ Carer,

We are excited that your son/daughter has chosen to spend the next stage of their education with us at The Bulmershe School. We take this responsibility very seriously in terms of academia but also like to ensure that they feel part of our school community. Each year we host two days to make sure that this is the case before they start their studies with us in the Sixth Form. These days will be held on Monday 26<sup>th</sup> and Tuesday 27<sup>th</sup> June 2017.

The first of these days is our 'Ethos Day'. This is a day where students get to know each other and the extra-curricular opportunities we offer outside of the classroom. We aim to provide an insight into programmes such as Duke of Edinburgh's Award and the National Citizen Service as well as giving students an idea of how their first year in 6<sup>th</sup> form will be structured. There will be lunch provided and this day will run from 9:30-13:00 starting in the 6<sup>th</sup> form centre.

The second day of this invitation is our 'Taster day' where students are invited into school on the Tuesday to experience a lesson in the subjects they have chosen to study. This gives them time to meet staff, understand the demands of the course and become familiar with the expectations and commitment that will be required of them for the duration of their studies. We would expect students to arrive from 9:30am to register in the 6<sup>th</sup> form centre as before and then we will start the sessions from 10am

Historically, students who have engaged in these days have found them to be enjoyable, helpful and given them the confidence to hit the ground running when they start studies in September. We would be delighted to see your son/daughter at these events and are excited to have them join us in September.

Please use the reply slip on the reverse to confirm your attendance to the two events so that we can organise accordingly. If you have any questions or concerns, they can be directed to the 6<sup>th</sup> form team directly and we will do our very best to help.

Kind Regards,

Mr T Lord
