

# Student Council

Our Student Council is a vital part of our School Community in giving you the voice and opportunity to work with staff to improve our school.

The student council will attend half termly meetings to establish your views on upcoming school policies and decisions whilst also providing an opportunity to share ideas about plans to help move the school forward.

Can we wear shorts in the summer months?

Can the toilets be cleaned more regularly with replacing the soap and paper towels when they run out?

We felt that we were not informed of the rise in the canteen prices.

Water fountains are needed in more locations across the school to avoid crowds in the canteen.

We purchased some sample pairs of shorts for student council to review and these shorts will now be part of our school uniform.

A cleaner is now employed between 11am – 2pm, cleaning toilets after break and after lunch. This will mean soap and paper towels are topped up 3 times a day.

Canteen price rises were shared with students, published on the website and placed on the board in the canteen.

We put an additional water fountain in the canteen (not allowed to place water fountains in the corridors due to health and safety)
